Teachers may request additional supplies at the beginning of year and throughout the school year. Your child's teachers/team may request several 3-ring binders to help keep their work organized. More information will be given at open house as to how many binders your child will need and what size based off of individual teacher preference. Book bags are used to carry supplies to and from school – students are not permitted to carry them to class. All bags must be able to fit in your child's locker.
