

# YEARBOOK

It is time to order your 2019 LMS yearbook. The yearbook staff is committed to selling additional ads and raising money to make up increasing production costs without raising the cost to our students. (If your business, or someone you know, would like to place an ad, please contact the school-Jamie Bloodworth, sponsor) Deposits may be made with the balance due in February if ordered at school.

Pre-ordered student books will again be just \$35.00 (or \$40.00 with a one-line nameplate) when ordered by October 4th.

It is extremely important that you order your book by the deadline of October 4th, if you plan to buy one. We order very few extra books and they are sold very quickly. There are always disappointed students who wait until the end and are unable to get a book.

**Remember that the discounted price of \$35 is only good UNTIL the October 4th deadline. After the deadline, books will be \$45.**

Books may be ordered at school or online. To order at school please return this form to your child's homeroom teacher with your payment or deposit. Orders will not be accepted without payment. Online orders may use a credit or debit card as well as e-check, but must be paid in full (no deposits with a balance to be paid later). To order online, please go to [www.yearbookordercenter.com](http://www.yearbookordercenter.com) and place your order there. Our school code is 1384.
